

This Addendum No. 1 is issued to clarify and confirm certain provisions of the above-referenced Invitation to Bid. This Addendum is hereby made a part of the Bidding Documents. All other terms, conditions, and specifications of ITB 26-01 not specifically addressed herein remain unchanged and in full force and effect.

Bidders are required to acknowledge receipt of this Addendum on the Bid Form. Failure to acknowledge receipt of all Addenda may result in the bid being declared non-responsive.

ITEM 1 – CLARIFICATION OF SECTION 2.3, QUALIFICATIONS OF BIDDERS (FDOT PREQUALIFICATION)

A question was raised regarding an apparent inconsistency between the general FDOT prequalification statement in Section 2.3 and the work-class-specific prequalification table that follows it. The County clarifies as follows:

Clarification:

FDOT prequalification in Work Classes 7 (Drainage), 10 (Flexible Paving), 11 (Grading), 12 (Grassing, Seeding, Sodding), and 40 (Sidewalk) is required of the entity – whether the Prime Contractor or a Subcontractor – that will actually perform work within that specific classification. The Prime Bidder is not required to independently hold FDOT prequalification in a given work class where that work will be performed by a properly prequalified Subcontractor. Proof of FDOT prequalification for each performing entity, in each applicable work class in which it will perform work, must be submitted with the bid in accordance with Section 2.3.

Section 2.3 is hereby amended to add the following paragraph, inserted immediately following the work class table:

“FDOT prequalification in the work classes identified above is required of the entity – Prime Contractor or Subcontractor – that will perform work in that specific classification. The Prime Bidder is not required to hold prequalification in a given class where that work will be performed by a properly prequalified Subcontractor. Proof of FDOT prequalification for each performing entity in each applicable work class must be submitted with the bid.”

No other provision of Section 2.3 is modified by this Addendum.

ACKNOWLEDGMENT
